ROBLOX originally only accepted payments through cryptocurrency, but later, it was changed to cash prices. The Roblox Corporation is a business that created ROBLOX as well as many other games such as Bloxburg and Bloxburg B.V.. Bloxburg B.V. was a subsidiary company of ROBLOX that was formed in September 2015 to create the HTML5 version of Minecraft. They have created some "Minecraft-like" games such as SEER and INRIX, as well as the HTML5 version of Minecraft itself called "Bloxburg".

Roblox has been accused of neglecting its staff and failing to offer development positions to its employees because its staff is almost entirely composed of white males, even though Roblox's community has been growing in diversity for years.

All developers can have a Builder's Club account. However, some games require payment in order to purchase the Builder's Club membership itself, or for Builders who want more than one account per Builder's Club.

ROBLOX was the first mainstream online game that allowed players to make a profile, interact with others, earn virtual money and characters through gameplay, and even have fun by creating their own levels and games. ROBLOX is the first online game to have players create their own virtual characters that live out an entire world just like in their actual life. [113] ROBLOX is ranked 15th in the world among "Game World or App Market" websites according to Alexa stats. [114] ROBLOX is ranked 2nd in the "Top most visited websites" by Alexa stats list. [115]

Some parents of children who play the game have said that it is due to inappropriate content and language that their children are spending so much time on the site. Some of these parents reported being harassed by other players on the site when they themselves criticized Roblox. One parent said that far from being a "quality of life" game for his child, it was being used as a distraction to escape from reality. The following comments were made:
