There are a lot of users, Robloxian's who do this and it is not really good that their voice is blocked as well because it is extremely annoying when you don't know what they are saying to you. This happens to me all the time and I think this needs to be fixed.

In order to check whether or not an app is safe to download, I have compiled a list that will show all of the apps that are 100% safe and you can directly download them from Google Play Store. Read my previous article titled " How To Download Apps Safely From Google Play Store ". You should check it out as well.

ROBLOX logo before 2014. The background was blue instead of red and white stripes were in the middle instead of the top or bottom. ROBLOX logo before 2009. The background was green instead of red and white stripes were in the middle instead of the top or bottom. The logo used from 2009 to 2012 as a banner (not yet released). Using it as a banner, it was at the top when it was released to users, becoming more popular than the original image upon release (which it shared with Minecraft). Logo before 2012.

Farmville: This is yet another example of a game that doesn't really offer any value at all but still manages to make a ton of money. It's a very bizarre concept which involves fun because you think you're going to become rich by buying fake farm products and selling them or you can become popular by posting pictures of your fake farm products and getting attention from people who want similar things. I mean, if this is what people want then it's really no different than Roblox except with Farmville you're dealing with real money.

On October 8, 2017, they released a video showing large amounts of bugs and glitches in the game Frostbite. These include several bugs that allow for players to place guns and kill other players in mere seconds. ROBLOX said on their blog that this was due to an "incorrectly prepared prize package" but later stated that it was an error during a new update of their "Prototype Editor", which was supposed to have fixed the issues, but evidently did not.
