I don't really have an answer for you, but I'm sure this is a problem that other people have as well. I think the game needs to be made less serious because people will not want to spend money on fake money (robux) if they know there's no real value behind those items they purchased with their fake money. The best way to accomplish this would be to make hats, shirts, etcetera for gamers who spend more than a certain amount of money.

On December 14th 2018, ROBLOX announced that there would be no more updates to this system and any items uploaded would not be safe after February 10th 2019. They also announced that they will be releasing a replacement system to store game files. On February 9th 2019, ROBLOX announced that the upcoming upload system is going to be called "ROBLOX Studio".[97]

On August 28th, 2019 ROBLOX announced the discontinuation of ROBLOX Custom Physics in favor of Bloxlet. This will eventually be released as an update so that all games made for Classic ROBLOX mode will automatically have the new physics system in place, but there is an unknown future for what will happen to those games when the discontinuation happens.

Roblox was revealed as the top website for malware infections in the U.S.[74] And as of 2015, it was accused of having more malware downloads than any other website in the world.[75]
