In this article, we will give you a few tools that will help you to exploit the game even more. These tools are called Mods or Mods for short. You could also call them hacks, but there is a difference between mods and hacks. A hack is what you get when you use a tool like this to violate the game's rules. For example, using your Mod to create a portal in another world for teleportation from one world to another would be considered a hack by Mojang and the Minecraft community as it would go against the rules of how Minecraft should work. Mods, on the other hand, do not violate these rules and are allowed to be put inside Minecraft.",

How To Download Mods – The Basics. Before downloading any kind of mod, be sure that you know exactly what kind of mod it is. Mods differ from one another in many ways and although they appear similar there are some fundamental differences as well, even if they look not yet obvious at first glance. For example, there are many different kinds of mods and these are generally divided into those that add new blocks/features to the game and others that change the game's existing rules."
