In November 2017, ROBLOX released their third YouTube channel called "ROBLOX Explorers". This channel features a series of Epic Adventures which are adventures that will feature a group of friends going on all sorts of amazing adventures. These will include other famous gamers and YouTubers. In February 2018, ROBLOX released their fourth YouTube channel called "Roblox Top Model 5" which features season 5 of the same show as Roblox Top Model. Also that month they released a collaboration with the popular web comic Homestuck which is called Homestuck Adventure Game. On March 6, 2018, ROBLOX released their fifth YouTube channel called "Roblox Top Model 6". This one will feature the same show as Roblox Top Model and will be aired on a weekly basis.

ROBLOX has created a number of recurring events over the years. On October 23, 2012 Robotcrab had announced a new way for Roblox users to make money by selling virtual items in the Roblox catalog: the "Builders Club". Players use Roblox's in-game currency, called ROBUX, to purchase items which they can sell to other players.

Rated 5 out of 5 by Anonymous from Awesome! I love this game. You can play games made by other players or play games on Roblox Studios yourself! Its so creative and fun! Rated 4 out of 5 by Anonymous from Roblox is AWESOME!!!!!!!!!!!!!! Roblox is awesome if you want to try something new visit www.roblox.com they have a lot of good games. You can play them with your friends and or you can just play them by yourself.

Another really cool method that can be used by all of the players is by using the official roblox app. The steps are very simple and you can register your account easily by just providing your username and password. Once you have done that, then you can begin using the free robux generator that is provided in the application itself.

People who need a lot of money for their personal game development or projects would not like free roaming because to get enough Robux in free roam would take so long. They avoid free roaming because they want to get things done.
