Users have criticized Coin Master for its monotony and reliance on making users pay real money to progress in the game. A user review on iTunes complains that it is "just another collect-a-thon with a coin motif". The developer of Coin Master has countered this criticism by stating that they do not believe in "pay to win" video games and hope to provide their users with a fun and engaging experience.",

This is a just fan site, we have no official relationship with Coin master game or any of its creators/developers. All trademarks belongs to their respective owners as well. We're just giving them a place to be used here. We don't claim to own them, we just put the opportunity into place for them",

Best Game Ever by Mr.QuackMcWack on 2018/05/29 03:13 This game is so much easier to play than the other games I've played. There aren't many glitches, and it doesn't take up so much space. It could use some more decorations but it is still a fun game to play, especially when you are bored and have nothing else to do, or when you need something to distract you from your homework or other things you need to do in life. It is a great free way of making people happier with the challenges this game provides.",

Another version of Coin Master was also created by Mojang in 2015, which is available to players free of charge via Minecraft Realms. This version primarily includes the same gameplay aspects seen in the original (but with some graphical upgrades, and 3D style). The game uses texture packs to resemble the look of the original versions.",

The developers of Coin Master have been awarded numerous awards and nominations for Coin Master and its development teams have also been recognized in a number of press releases. In July 2015 Moon Active announced that they had received financial assistance from the Jewish Federation of Greater Washington for the creation of "Coin Master". This was to aid the team in their work developing "Coin Master 2" but this was subsequently discontinued. The developer of Coin Master has revealed that he is a practicing Jew as well.",
