Great App by Jack'sMommy on 2013/10/27 20:09 I love playing this game. The only problem is that sometimes the time runs out before I get a chance to choose all the words I can find. Maybe you could add a more relaxed mode where you don't have to worry about time, just play until you've found all the words in the puzzle. Other than that, it's a great game!",

Good game, needs some fixes. by Munya on 2019/04/06 16:12 It's a very fun game. I have been playing for years, and there are things that you shouldn't have to pay extra money for in the game, such as extra turns if they aren't already included. There are places that you can't craft an item that you don't have the coins to. If they made more places to go to as well as more items to craft, it would be a better game overall. The chat feature is also annoying sometimes. As soon as I open the app, it tells me there are people on the other end of the chat, and since I don't have any friends, I close out of it immediately. It really bugs me how players have different abilities than other players for some reason. I forgot the name of the third thing I wanted to say, but that's all for now. Thank you for reading!",
