At its launch it had received over one million downloads on Google Play alone. In addition to this milestone it has also been downloaded over 1 million times on Steam and over 1 million times from iOS devices including iPad, iPhone and iPod Touch at its initial release. The mobile versions of the game have had over 10 million downloads to date.",

"Coin Master" won an Honorable Mention from the 2015 Indie Royale Awards for "Best Card-Based Game". As "Coins & Curses" received mostly positive reviews, Mike Miller announced in September 2016 that a sequel to Coin Master was being developed, titled "Coins & Curses 2". It was released on iOS and Android on December 8, 2016 with some of the original developers from Coin Master returning to work on the game.",

Players earn coins from every completed quest type and can exchange their coins for real monetary value at the "Coin Master" website. There are also certain booster packs that can be purchased for real money which contain random rare cards that can be used in quest matches.",

This game features eight "coin tokens" which represent fruits, vegetables, and animals. Players collect these coins during the gameplay to earn points in the game. Three of the coins are represented by card illustrations; these coins are more likely to be found in chest rather than buried in the ground as with coins with illustrations of humans and animals. There are currently five sets available; one set is for each type of coin (four sets for negative coins and three sets for positive coins) giving a total of twenty-eight characters.",

I downloaded the Coin Master Hack and it saved me time. Coin Master Hack helped me get coins, cards and gems to my collection within the app. No longer do I spend hours digging for gems, but now I just tap them in a timely manner.",
