They're is too many ads by hannah_dew on 2021/02/01 00:08 I love this game but they are so many ad. It is very really annoying when I am just trying to pass my time and it makes me really mad. The game takes up all of the space in your phone as well. If it weren't for all of the ads this game would be a 5 star it's unfair that you make it a super hard game and then have like 50 ads after one level. I think that you should make the ads less frequent and add more features or make your levels easier if this is going to happen then please tell me so I can see your update. I am a huge fan of this game",

Loved this game! by s_only_me on 2021/03/31 15:13 This app was really fun and addictive. I've downloaded many apps but this was my favorite!! It's like a mini version of scrabble or tetris that is easy to finish, so I wasn't always too frustrated when I couldn't get a word right or it didn't fit in the puzzle correctly. I really liked the fact that I could earn coins and buy different game modes and backgrounds. I would definitely recommend this app ☐♥☐",
