Best Game Ever by Mr.QuackMcWack on 2018/05/29 03:13 This game is so much easier to play than the other games I've played. There aren't many glitches, and it doesn't take up so much space. It could use some more decorations but it is still a fun game to play, especially when you are bored and have nothing else to do, or when you need something to distract you from your homework or other things you need to do in life. It is a great free way of making people happier with the challenges this game provides.",

At its launch it had received over one million downloads on Google Play alone. In addition to this milestone it has also been downloaded over 1 million times on Steam and over 1 million times from iOS devices including iPad, iPhone and iPod Touch at its initial release. The mobile versions of the game have had over 10 million downloads to date.",

In 2011 Mike Miller reconnected with his former business partner Eric Holm, and together they decided to revive and develop Coin Master. They founded InXile Entertainment for that purpose. They launched a Kickstarter campaign on March 27, 2013 to fund the game, which was released on September 13, 2014.",
