On January 10, 2018 GamesBeat published an article that mentioned a new release titled "Coin Master: Poke Map" was being developed by United Pixelworkers for the iPhone. The game is available for iOS devices in beta form as of February 2018 and is free to download from the App Store. This title is an alternate version of "Coin Master" where players can view the world around them (using real location coordinates) and find loot based on their current location within the game. It also includes a newspaper titled "Coins & Curses Adventure" which is about "Coins & Curses Adventures". An article on the website says that the game was created to satisfy the desire of players for a Pokemon Go style experience with "Coin Master: Dig Deep".",

This is a good game by miamaraci21 on 2018/03/29 04:20 I love this game. It's a great way to pass time and relax while you're at it. A very good app. I also love the fact that it has no ads, it's really really helpful if you have a lot of other apps open that have ads. It's great for all ages, even my young brother loves this game and actually tells me he wants to play every time I turn on my phone.",

I'm love it by Bella fox on 2018/05/17 05:44 This is so fun for me I play it every day and I love it thank you for making such a wonderful game just one question though. They say we need 2,000 coins to upgrade but we only get 10 coins and if we spin 20 times that's the max 200 coins so how can we get more than that? Even though they have a lot of things have no coin is there any way you can make everything cost less coins? But besides that I think this game is great and fun to play with friends. I love it and I recommend it to anyone who likes playing fun games.",
