Great game - one issue by nathaniel lewis on 2013/09/19 02:08 This is a great game, the puzzles are challenging, and the controls are very clean. My only problem is that when playing through the puzzles you occasionally need to hit a certain combination of tiles to continue. The problem is that those combos vary from level to level depending on your progress, so I end up having to restart my phone if i want to get back into the puzzle where I left off. A little frustrating, but still a great game."

Great game by MommaDee1234 on 2017/11/14 15:02 This game is free with ads but they aren't bad at all they're actually pretty awesome . It's a free game that I think would be worth the money. It's really fun and makes you stay on it. It's got a lot of levels to unlock that make the game even more interesting and fun. It has very great graphics compared to other games but you don't have to pay for them which is what makes it even better!"

A sequel to the "Coin Master" series was announced in 2013 titled Coin Master: Space Invaders "(Kasegi 3: Aratanaru Jettsuu)", previously known as "Coin Master 2." This sequel, which would feature the original coin-collecting gameplay, was originally scheduled to be released on April 27, 2014. However, it was released on July 2, 2014."

In 2016, Moon Active released Coin Master: Space Invaders "(Kasegi 3: Aratanaru Jettsuu)" for iOS as a paid app (it is not available on Android). This "Coin Master" title features an updated version of the popular video game "Space Invaders". The game was released in Japan initially as part of Moon Active's "Coin Masters" series. However, this version of the game was never released outside Japan. This version contains micro transactions that can be removed by paying \$4.99 for an ad-free version. The user review for Coin Master: Space Invaders is composed of 4.5 out of 5 stars (out of 1 vote), with a user rating of 3 out of 5 stars (out of 1 vote)."

Something needs to change. by Zeke1706 on 2017/09/10 05:59 Coin master is fun, and I like the fact that they have a few different game modes to play in. The coin collecting and buying upgrades for your home are all things that are fun once you unlock them. I have progressed pretty far into the main mode but have to say that if there was some kind of other way besides just collecting coins to get money, we'd probably be having a different conversation. The main problem is that it takes so many hours of grinding to complete one goal, and when you want to have an upgrade for your home no matter what current level you are at, it's \$100, which takes 100 coins. I've spent about 60 hours or more on this game to get my home upgraded, and most of it is just grinding coins to buy those upgrades. The second problem is the amount of advertising in the game. I think that in this day and age, it's pretty ridiculous for a game to have ads that are obnoxiously placed one right after the other, not too long ago I paid money to remove ads from a game. It would be nice if the ads were a little better placed or different, I don't mind seeing them every once in a while."
