It has also gained notoriety for its use of various Konami references including references to the "Street Fighter" series and "Magic The Gathering". The game has been featured on the App Store multiple times as an "App of the Day" including March 28, 2017.",

Great game but... by katiebean22 on 2018/03/01 16:32 The game is fun and addictive and I have lost count of the amount of hours I've played it but there are some major issues that need to be fixed. One is the chat room. Whenever I go into a chat room full of people I usually just spam my messages out hoping to get somewhere with one person. Well, I've gotten to the point that the majority of these people don't even respond. It's ridiculous that you have to wait for them to catch up with you in order for them to chat. Another major issue is the items. You see a lot of people wanting certain items but they aren't actually available anymore. One example is a spell that costs 1000 gold coins and only gives you one use and it doesn't replenish every time you win a battle. Lastly, there are a lot of glitches happening when I play the game. Sometimes my troops disappear for no reason and sometimes I lose all my troops even though I am still making moves on the board and it gets old really fast. I would rate the game a 5 but these major issues need to be fixed.",

In 2011 Mike Miller reconnected with his former business partner Eric Holm, and together they decided to revive and develop Coin Master. They founded InXile Entertainment for that purpose. In February 2013, additional team members came on board including: game designer John Alvarado, artist Brian Berretta (art director), artist David Durin (lead artist), artist Michelle Kim (art assistant), composer Marco Beltrami and sound designer Scott Morgan. They launched a Kickstarter campaign on March 27, 2013 to fund the game, which was released on September 13, 2014.",

In April 2018 Moon Active announced that they had signed an agreement with Marvel Entertainment to create a new version of Coin Master based on The Avengers franchise. The game is titled "Coin Master: Marvel's Avengers" and was designed by Moon Active in collaboration with Marvel Games. This version of the game is expected to be released for Android and iOS mobile devices in 2019.",
