Builders Club Premium can be used in games greatly increasing the amount of Robux and/or XP a player earns by a given amount. If used, then Builder's Club is required to play those games. There are two types of premium features: content premium and currency premium. Content Premiums typically involves a single item or feature that changes the game mechanic, such as more life points and/or more room to build, or increased maximum health for monsters. Currency Premiums usually involve the addition of new items to the game that are only available through favorable conditions (for example, allowing players to purchase a specific item for Robux). Some Currency Premiums can also require membership in Builders Club.

ROBLOX announced they would be making videos, dubbed ROBLOX TV, in early 2017. They released three in total before shutting down all three channels to focus on "Builders Club". The first was a short-lived comedy show hosted by Janitorman and Aron. The second was a short-lived reality show hosted by JhonnyFive from the "Testing Grounds". The third was a sports talk show called "Game Time" in which users could discuss various topics pertaining to sports. In each of these shows, they would later add other people to the cast like Woody's Gamertag in Game Time.
