Rated 5 out of 5 by Anonymous from All time favorite Roblox is the best game ever! I've been playing it since 2008 and have made hundreds of friends I still talk to today. It always has new updates, and the staff is pretty cool. I definitely recommend this game to all ages!

You will have a lot of free robux coming into your account as soon as you start earning them by using these promo codes. If you want everything on Roblox to become even more fun and entertaining, then we strongly recommend that you use this site since it works every time where others do not work at all. Our data is very reliable and it is a very good way to play Roblox since you will be able to have more fun and entertainment. We also have a lot of other resources that you can see on our website that will help you find the best robux that you need in order to play the games on Roblox. This site has the latest Free Robux promo codes for ROBLOX which does not exist anywhere else online so that it can be used by thousands of players at any time.

On December 21st, 2011, the game "Infinity: The Quest to the End of the Universe" was released by a company called "Awaited Studios". After this game was released, it came to light that much of its code was being used in ROBLOX's main source code.

ROBLOX has banned thousands of accounts, usually for viral videos made by "trolls" or people who want to annoy other users/admins. Most of the bans these users receive are handed out by administrators but every once in a while a user will get banned for a "troll" video or similar reason. Some are also apparently banned because they made potentially offensive comments in the chatbox, not for any type of post or action that breaks the TOS.

The only reason why my great reviews are ending is because roblox takes away your reviews at some point even if you've been playing for 2 years and it makes me sad!
