It will only show up a few ads after you have connected your account with the generator so that might not be a problem at all.

Roblox has also been criticized for not having realistic physics. Roblox used to have a physics engine, but it was removed in 2015. The reason for this was because ROBLOX wanted to focus on improving their building features instead.[60] However, they later explained that this removal was only temporary and they would bring back the physics again in the near future.[61]
