The exploit is rather simple, all you have to do is know how to click fast and know when to stop. This glitch is one of the most common ways that people get robux for free on roblox and it may not be entirely illegal but it can break the rules of roblox's Terms of Service as well as their policies regarding hacking and cheating. The glitch has been patched, but there are other methods of getting robux such as buying them using real money or promoting a game for real money on a site such as Fiverr.
