Overall, ROBLOX is fun to use and has many activities for players such as playing games and building creations. The unique graphics that come with each game can be beautiful or affective depending on the type of game it is. For parents that want their children to have fun and have gaming time without the risks of other online games, ROBLOX is a great place to use. This website has safety features for children and parents as well as many other positive features. ROBLOX was mentioned in a Video game advertising case in the Court of Appeals for the Fifth Circuit. The court upheld the game's placement of content, but struck down a provision stating that ROBLOX is an interactive computer service as a matter of law.

Rated 5 out of 5 by Anonymous from I love this game! I love this game. It has a lot of new additions that make it so much better than the past. The only reason why my great reviews are ending is because roblox takes away your reviews at some point even if you've been playing for 2 years and it makes me sad!

The main reason for this update was to make ROBLOX a lot more social, as at the time the website only had game-based features. Also, players can now buy items (e.g., skins & backgrounds) with in-game currency and have them delivered to their homes.

On February 16th, 2019, ROBLOX announced the launch of their new anti-fraud feature called "Verified Accounts." This feature verifies account data with third-party services like Google and Facebook. The company will enhance this feature in the future by allowing users to verify their accounts with other companies as well.[29]

Roblox has been criticized for letting users access mature content, such as nudity, on the platform. In March 2018, it was reported that there were multiple nude characters on Roblox. The game had a character that was wearing only underwear. The character also had private parts that could be exposed to other players. This resulted in a large number of complaints being submitted to the company and they responded by making the character wear pants. However, the character then became fully covered and was unable to be exposed in this manner anymore.
