ROBLOX has been accused of copying a lot of games such as FNaF World. Many of these games have similar gameplay and graphics to the point where it's hard to distinguish one game from another. ROBLOX has been criticized for not doing their own style very well, especially in regards to their graphics and unique ideas.

Roblox cannot afford to go down the path of Farmville. They need to remain an open source program for everyone, where people can come together as equals and play fun games without being forced to pay money to be able to continue having fun within their virtual world. People who think they can't afford to pay should just get used to not having an ROBLOX account because that's what's happening. People are being kicked off the server by player banning.

ROBLOX has also been criticised for not putting up a good enough amount of effort to make ROBLOX itself safer for players. The site is not very well secured and has been known to have exploits since 2021, like one in the "Spectator Mode" which gives users complete control over other users' games with no checks or balances. It also allows users to upload executable files onto ROBLOX servers without any notification and allows them full access to other user's games and accounts.

On July 15, 2021, Roblox apologized after a server error caused a character called Calvin to be subjected to harassment which included cruel messages. The harassment included being charged with child pornography even when the player was found innocent by law enforcement officials. In addition, this caused some users to temporarily change their username.

Rated 4 out of 5 by Anonymous from Awesome game I would rate this game a 10 because it's really entertaining and easy to get into. Rated 4 out of 5 by Anonymous from Good Game This is a pretty good game the only thing that doesn't get me is all the money you have to pay for it. Rated 5 out of 5 by Anonymous from Great This is an amazing app, and roblox is a sweet game, but i have had some problems with it so that's why i am giving four stars for rating.

Rated 4 out of 5 by Anonymous from I love it! Roblox is amazing! It is very fun but it does took a lot of time to get friends. Roblox takes minimum 15 minutes to get a new account, and that's only if you have middle schooler's range.

I love Roblox, but there are some things that I don't like. My favorite aspects of Roblox are that it's fun and easy to play with my friends online, and it has funny ways of making you laugh or feeling nervous. My least favorite aspect is that if you use your neighbor's computer (turn it on/jack in) you can't change your username or skin. Also, there are players who break laws such as swear words, so they get banned from Roblox for doing so. I don't think Roblox should be edited at all, but just taken off.

If that never happens then the servers are going to crash and the game will die. If you take a look at the way ROBLOX's developers are trying to make even more money, you will see that they do not want to add any real value to their games. They want people to spend real money for fake

money (robux) so they're going to make it so that it's impossible for someone who doesn't pay for robux to exist within their virtual world.
