To create a new game, players are introduced to the Roblox engine or "R-Engine". This is the application developers use to create their own games. All of the features in Roblox are available to be utilized by developers.

1. Play games and complete tasks for developers.
2. Play games with your friends and make in-game purchases (i.e buying hats or clothing etc).
3. Watch videos played by other players and make in-game purchases (i.e buying shirts or clothing etc).
4. Buy the games from the store or on a marketplace website like G2A or Openpay
- 5.

There are two kinds of issues with Roblox development. One is syntax issues which deal with how the code works and how to make it function correctly. The other one deals with data issues which involve working with saved variables in games. Since users can change data, they are prone to having issues in this area.

There are many ways to earn free robux on roblox. You can earn robux by roaming around the map and collecting coins or playing some of our newer games. Playing any game will grant a player with a certain amount of free robux based on their gameplay. For example, one reason is that every hour spent in airplane mode earns 500 Robux; people can also play fun games for free Robux using our keyboard (It's just as easy!).

In 2012 the company sponsored an event at the Children's Museum of Pittsburgh to raise money for charity (The Water Project). This was called Roblox Builders Club: Hero of the Day which raised over \$1,000 for charity water.
