On February 16th, 2021, ROBLOX's main Twitter account was hacked by a group that goes by the name "RIP Roblox." This prompted some users to make spam on the forums. The group also hacked ROBLOX's official Twitch page. They claimed to be doing this because they found a security glitch that allows them to bypass site security and touch other people's accounts to steal their virtual currency.[19] They later stated that they were done with their attack and did not release the method of how they were able to bypass ROBLOX's security, as ROBLOX did not provide them with any compensation.

As a result of these allegations, another employee named Kent Duryee filed a lawsuit against Roblox in March 2021. Duryee claims that he was also wrongfully fired by Roblox after attempting to report misconduct at work earlier in 2021 but nothing was ever done about it. The lawsuit, which is currently still ongoing, is asking for \$5 million in damages and \$1 million in lost wages.

19. The only real problem with roblox is that there is no way to make a person get out of the main menu like one can on minecraft. 20. I love Roblox! The free robux card codes are the cards that were given out to players who completed a certain action on Roblox. The player would then be able

to collect the card and have it autoclaimed as soon as they logged into Roblox. Codes could be used to redeem the extra Robux and Builders Club. Codes were received through several different ways. Players could receive a code from a friend, or they could get a code from the internet. Codes were sometimes given out for certain reasons, such as attending conventions for Roblox (ROBLOX RocketCon) or writing about Roblox on your blog/website. Codes are autoclaimed when you log into your account on ROBLOX.

- The game is too expensive. I cringe when I see that a certain hat costs 2 million Robux. Robux are the currency used in Roblox, and I have no idea where to get them in game. But it's pretty obvious that you have to pay real money for them or use your parents' credit card to access the store. And if you do use your parents' credit card, then they'll try to find out why you were so interested in a child's game and they will most certainly look at the Roblox website or app, which will reveal that there are so many games with suggestive themes/language that it will make your eyes bleed (and your mom/dad's too).

I have attempted to make a list of all the free Roblox code sites and codes I know of. You should be wary when using these codes, as some do not work anymore or may lead to viruses/malware on your computer. I've also made a list of which sites are safe and which sites are unsafe for you to visit. Please be cautious and do not enter any codes you have found in a comment on Youtube, on Reddit, or anywhere else. Always make sure to read the comments of the videos and follow all instructions before using them.
