Robux is a great currency, but there are some concerns about it, so here are the concerns about Robux that have been said through forums and complaints. Robux are very difficult to obtain in free roam as bumping players often prevents them from getting any, but it can be easily obtained at gta 5 when you go to "buy weapon" then click on the option on top where you can buy bonuses like point boost, etc.

On November 10, 2014, ROBLOX launched an invite-only beta for the virtual currency Robux. It was released to a small fraction of its user base whose accounts had been verified by Robotcrab, Inc. The currency was named after ROBLOX's mascot. All games and item purchases could only be made with Robux. The overall value of Robux is dependent on ROBUX exchange rates in the game itself; however, all players are guaranteed to receive the same amount of Robux (at the same time) regardless of their financial situation or how they choose to use them.

Roblox is a user-generated online game platform. It is like Lego for adults, it has an array of age appropriate content from kids to adults. One can buy, sell or trade parts and codes on the Roblox marketplace. The company was founded in March 2006 which makes it one of the oldest in its sector and a rarity as an independent video game developer. Given the small size of Roblox (around 15 employees), there is not much information about the company which means that finding a free robux for roblox can be difficult.
