On February 16th, 2019, ROBLOX announced the launch of their new anti-fraud feature called "Verified Accounts." This feature verifies account data with third-party services like Google and Facebook. The company will enhance this feature in the future by allowing users to verify their accounts with other companies as well.[29]

ROBLOX's Twitch page was created on April 4th, 2016. So far, ROBLOX has streamed various games and have gained a moderate amount of followers: on April 26th, 2016 (one month after the page was created), ROBLOX had 6,200 followers.[13] On October 24th, 2017 (exactly one year later), they gained 36,000 followers.[14] Their most viewed stream is "High School Life," which so far has gotten over 2 million views.[15] The same video even got 6.7k upvotes.[16]

The more points that you earn, the more robux that will be credited to your account. Surveys are usually quick and easy, so no sweat! There are 3 different types of surveys: desktop or laptop online surveys for 10-20 minutes; mobile surveys at home or on the go from 30 seconds – 2 minutes; and video game market research for 15-20 minutes.

The company's revenue is seen as a key driver for future revenue. According to the Global Gaming Sustainability Report by Eilers Research, ROBLOX generated \$15 million in revenue in 2013 and \$135 million by 2016. The report also estimated that ROBLOX will see a compound annual growth rate of 106% over the 2015–2025 period. The company has also completed two rounds of financing, raising more than \$250 million in 2016.

Rated 5 out of 5 by Anonymous from I love this game! This game is so fun and addicting! You can create your own avatar or characters and make them the way you want to. Then you can go on adventures with your friends all over various places, such as the woods, Medieval times, Downtown, or even outer space. You can do this in a bunch of different games. Not only is there adventure games, but you can play games like a shooter game, or even just a regular sandbox game where anything goes. My friends and I have been playing this game for years and we love it so much. It's great for kids to play because some of the games are educational and some are not. There are a lot of things to do on this game, and it's worth the money!
