According to the Global Gaming Sustainability Report by Eilers Research, ROBLOX generated \$15 million in revenue in 2013 and \$135 million by 2016. The report also estimated that ROBLOX will see a compound annual growth rate of 106% over the 2015–2025 period. On July 3rd, 2018, ROBLOX announced that they were no longer allowing people to make custom models for their games. Instead, they would be allowing users to build blocky models that could not be edited at all. They stated that this would prevent the creation of custom models and save money by preventing expensive data transfers.[22] The change was made in order to clean up the game because custom models complicates the "Roblox experience" in some cases.
