I hope this review was helpful to you and that you have gotten some information from this novel review. In 2011 the Roblox company sponsored an event at the Children's Museum of Pittsburgh to raise money for charity (Charity Water). This was called Roblox Builders Club: Project Builder which raised over \$3,000 for charity water.

In December 2016, Roblox changed its website design again.[64] This can be viewed here: Roblox Main Page. An official subreddit was created in January 2012 by user pb_bacon.[65] It has since grown to have over 3,000 subscribers (as of May 2018) and 338 pages (as of May 2018).

In April 2011, ROBLOX 'Escape Games' was converted into a mobile app. In July 2012, ROBLOX announced that they had released their second app for Android and iOS: 'ROBLOX TableTop'. In April 2013, ROBLOX officially released the Wallpaper Maker and the Voice Changer tools in the Roblox app. On June 22, 2015, ROBLOX announced that they had partnered with Lego to produce a new Lego-themed games (The first was LEGO Minifigures Online). I just wanted to let the readers know that Roblox is not a bad thing for children to play. It teaches them a lot of skills that will help them in the future. It teaches them how to be helpful, creative, and patient. I am writing about Roblox today because I am fairly new to the game and am trying to get used to it. I have had Roblox for about 6 months now, and I am sort of over it. However, I really love the game. It is a creative game where you can design an avatar and have a house to decorate. I just wanted to write this because I know there are a lot of people who have been searching for my story on Roblox. Everyone has their own opinions on the game, but as soon as I found out that my parents were coming to visit me on Friday, I found out that they were going to be seeing where I spend most of my time playing games online: namely <https://www.roblox.com/>. I was very and extremely shocked that I hadn't clicked on the site before this - it means I really could have been playing the game for a lot longer. A lot of my friends have played this game and now I'm starting to understand why they say it's such an addicting game! I am writing about Roblox today because I am fairly new to the game and am trying to get used to it.
