There are several websites that have been set up by Chinese authorities aiming to monitor, investigate and censor both illegal and questionable content published on other sites such as Weibo. The following is an example of a page on one of these sites.",

Musical.ly offers more than thirty genres of music videos (with more being added), along with channels featuring music videos from artists such as Justin Bieber, Selena Gomez, Ariana Grande and Mark Ronson. Artists can create their own channels and videos on the app by uploading video content via an account on Musical.ly, and by using one of the special musical.ly cameras which allows users to share videos via the app's social network platform. The soundtracks used in the music video clips are also available upon request for those who cannot afford them, although they are not advertised or promoted as part of the app. Musical.ly's dance routines and other filmed material can be viewed by creators without additional payment starting at \$5.00 each.",

In February 2018, Advertising Week Europe included TikTok in their annual list of top 10 advertising trends. In order to create the ranking they compiled the results of a survey from fourth-quarter 2017 and compared it to a similar study from 2016. The study identified three key factors that contribute to the ranking: time spent on ad content, levels of engagement, and presence of ads in other formats. TikTok ranked fourth out of the ten companies; Snapchat, Instagram and Facebook took the first three spots with TikTok ranking behind Twitter due to Snapchat's immersive advertising experience.",

TikTok was ranked by App Annie as one of the top most downloaded apps on both Google Play and the App Store during June 2018. It was most popular in India, Philippines and Indonesia. By July 2018, TikTok had reached 1 billion downloads on Google Play alone and over 300 million users who were active within a month. In August 2018, it was announced that TikTok had grown its userbase to 500 million; which is an increase of 100 million users since January 2018. In the same month, the app announced that it had been downloaded over 1 billion times on Google Play.",

It isn't clear if Toutiao can maintain its pace of growth, even with a major acquisition like TikTok under its belt. While Toutiao is top-of-mind when discussing viral news feeds, it remains a relatively niche product — at least compared to WeChat and other messaging apps run by Tencent.",
