- The game is too expensive. I cringe when I see that a certain hat costs 2 million Robux. Robux are the currency used in Roblox, and I have no idea where to get them in game. But it's pretty obvious that you have to pay real money for them or use your parents' credit card to access the store. And if you do use your parents' credit card, then they'll try to find out why you were so interested in a child's game and they will most certainly look at the Roblox website or app, which will reveal that there are so many games with suggestive themes/languaging that it will make your eyes bleed (and your mom/dad's too).
