In ROBLOX, safety is one of the main concerns facing parents. The website can sometimes be a risky place for children because they sometimes come across people being rude, bullying, etc. [138]. ROBLOX is doing its best to make sure that its users stay safe while playing games. First, ROBLOX has safety features in place. A "report user" button is at the bottom right of every player's screen. This button appears if someone is acting rude to you in a game. Pressing it leads you to a page where you can add as much detail as you can about what happened and why it was wrong. The person reading the complaint will then investigate the situation and take necessary actions towards offending players. Players have also found ways to use this button for wrong reasons, like falsely reporting users to get them banned from playing ROBLOX.

On July 19, 2018, ROBLOX launched a new mobile app called ROBLOX Mini. It is aimed towards kids below the age of 6 years old. It allows players to play mini games as well as create items for their mini-game and have a catalog of characters to dress up as.[50]

In my opinion, the best and most legitimate way to get free roblox robux is to make your own. This can be time-consuming, but you can do everything yourself and make sure that you are not running into any problems. It will take a lot of time to figure out the design and layout of the webpage, but once it is completed you should easily be able to get a lot of traffic from search engines like Google. Once this is done then it is time to begin writing original articles. Try not to re-hash information from other blogs or websites as this will just make you look like a copycat.

In 2012 the company sponsored an event at the Children's Museum of Pittsburgh to raise money for charity (The Water Project). This was called Roblox Builders Club: Hero of the Day which raised over \$1,000 for charity water.

The next game that would allow users to do this was Parkour Paradise on August 16th of 2012. ROBLOX is the first game to have a player base where 70% of their players are between ages 10-15 and 30% are between ages 15-25.[126]
