As a member, ROBLOX reserves the right to collect and share personal information, including member account data, e-mail addresses for communication with users such as surveys, notices about the service or changes to the Terms of Use or Privacy Policy, etc., IP addresses and cookies.[2] According to their Privacy Policy, ROBLOX may disclose personal information such as member account data to third parties in order to comply with legal obligations or prevent any illegal activity.

Rated 5 out of 5 by Anonymous from So much fun I love this game so much! There is no fighting, just chatting with your friends online and there are no missions or quests to complete to play this game. It has no age limit either, so younger kids can join in.

All you need to do is go to <https://www.roblox.com/my/tasks> and click on the 'Login' button in order to access the page (you might have to log out first). Once you are logged in, simply click on the task that you want and start completing it by following all the instructions that are given. There is no point of downloading a Roblox generator here because I have already listed down the best working sources of getting free robux for roblox which are completely legit and secure. You can also check out this article by GigaBux Pro on how to get free robux for roblox . Go to Robux Generator . GigaBux Pro is the most advanced Roblox Hack and the only one that can generate free unlimited robux for you. It works for both MAC and PC. The generator is 100% undetectable by Roblox and its creators. The generator itself is very easy to use as well as it comes with a step-by-step tutorial.

Here is the link to MyRoblox. You can also find the very informative "Reddit Facts" page on the Roblox Help site as well, although it is no longer up-to-date. EDIT: This also applies to other games like Robokill, Minecraft and Terraria. Just remember where you find out important information. ;) Last edited by alyssa2789; 05-31-2019 at 05:44 AM .

On May 16th, 2018, ROBLOX announced that they were updating their "Terms of Service" section of the website to disallow using custom models or code to explicitly gain any sort of advantage in-game. They also block users from uploading custom model and code files.[20]
