On May 26, 2018, a group of former Roblox moderators started a petition on change.org asking for Roblox to re-hire them after they were fired. The petition currently has over 8000 signatures and the former moderators were promised that they would be getting jobs back at Roblox if their petition reached 10,000 signatures.

On July 26, 2018, ROBLOX warned its users about several scams on Roblox that are being advertised on YouTube. They were shown to have included links to pirated, unlicensed games, which are at risk of having their ROBLOX accounts banned due to the unauthorized distribution of their intellectual property.

This tool is very easy to use, and you will always have a ton of fun with it. In my opinion, this is one of the most efficient ways in order to get free robux on roblox. It has been tested by several players already, so it seems to be reliable enough.

The more points that you earn, the more robux that will be credited to your account. Surveys are usually quick and easy, so no sweat! There are 3 different types of surveys: desktop or laptop online surveys for 10-20 minutes; mobile surveys at home or on the go from 30 seconds – 2 minutes; and video game market research for 15-20 minutes.

In 2018, ROBLOX added a new feature called the Robux Exchange. The exchange allows players to trade their hard-earned coins for ROBUX and for certain items, which can be used to build games. To use the exchange, players must have at least 50 ROBUX in their account.
