ROBLOX's official blog (started on November 19th, 2011) and LiveJournal were used to communicate with the community prior to the creation of the forums. The blog is still active but has been replaced by a Forum that is more conversational tone. The LiveJournal was shut down in October 2016, making ROBLOX one of few third-party sites without one.[12] In January 2017, ROBLOX launched their YouTube channel. The channel currently has about 1 minute and 38 seconds of uploads.

I guess that's one of the reasons why Minecraft is so popular; it's simple and easy to understand, because of things like having to collect resources to build things. If you see a home on something like Roblox and Minecraft, it's probably built out of random things a lot of people gave you; whereas in Minecraft there are actual blocks which you can use in the game itself.

The reasons why you can get free robux is because some games do not charge a fee to play with them. They also do not include any in-app purchases that try to collect the user's money for no reason. Some gamers also leave reviews and recommendations on websites and apps where they give it a try. These types of websites are useful to new gamers who have never tried the free robux option before. The number of people trying these different options that provide users with free robux will eventually increase, which makes it harder for users who are in search of free robux to get it. You can find more information about how to get free Roblox by reading this article.

ROBLOX also provides a currency called Robux that players can use to access items within ROBLOX, such as buying backgrounds and avatars. [36] Players can get 10 ROBUX for free upon signing up, but if they choose to purchase blocks, they need more than 10 ROBUX upon signing up. They must either use their free ROBUX or buy some ROBUX. They can earn more by selling items they create in the ROBLOX catalog, but most often they earn ROBUX by playing the many games on ROBLOX.[37]

You must not use the Free Robux promo codes for ROBLOX unless you are sure that you are playing on a legit copy of the site. These codes will not work if you are playing on an illegal copy of the site. You must also not try to get a large amount of free robux by using the Free Robux promo codes for ROBLOX because this may get your account scammed and deleted by the company. If there is one thing that you must do though, it is to never give out any username or password that was used to make an account in any website to anyone else while using free robux promo code generators or codes.
