The site has been called "worthless" by users such as Brianna Wu, an independent games programmer and activist. She was also specifically referencing the site's lack of any kind of real economy.[10] There have been multiple instances where money and donations were sent to ROBLOX asking for some kind of update on a game which never came to life. She has asked for the company to be more transparent in regards to this situation and stated that she will not give them any more money until they actually deliver something.

There are many free ways that can be used to get Robux. The first and foremost way is by getting the Robux from a hack site. Hack sites offer a lot of hacks and tools that might be able to provide you with some Robux in return for completing their tasks or surveys.

"Robloxian life" has actually changed how people view games now. People used to spend hours and hours in games without even noticing that time has passed because they were involved with the game's world. Suddenly, they realize their time is running out and that no one is helping them out for example.

Players try to keep up with others by making and buying new items. It's not always easy to come up with the money to buy items, but thankfully, you can earn robux for free and buy new clothing, accessories, and gear for your avatar.

This is one of the most reliable options out there that you can use if you need free robux on roblox right away. This will be more than enough for you to enjoy getting free robux on roblox without having to spend any money!
