The game's worlds are different from most games on Roblox, because they are not based around themes. This makes the game easier to navigate when learning how the world works, and also allows for more creativity in the types of things that can be made. The world is made up of a variety of things; buildings, vehicles, furniture and objects such as weapons and armor. Each item has its own purpose and will function in the way it was intended for.

There were a lot of concerns about Robux before the update that made it easier for players to get it, but some people still believe that Robux is manipulative and favors the developers. In the "review" section, people criticize the developers for doing what they wanted to do and not caring about what people think.
