On January 13th, 2019, ROBLOX implemented broader anti-fraud features called "Secure Trading." The system is designed to prevent fraud such as fake accounts/bots, selling stolen virtual currency and more. It is also designed to allow users to trade in a safer environment. [28]

Rated 5 out of 5 by Anonymous from Amazing but scary I absolutely love this game. There is so much to do like make clothes, build houses, and even things on ROBLOX Studio. After I started building my own games I decided to start playing them and they are so intense. But I love it there is lots of challenges.

On October 10, 2018, Roblox announced that they will be selling 49% of their ownership stake to Tencent Holdings for \$100 million. The deal is subject to approval by the Roblox board of directors and Tencent before it goes into effect. The transaction will be funded from Roblox's 'new business' funds, which aim to expand the company's offerings including VR, augmented reality and mobile.

Mobile App: On September 5th, 2018, ROBLOX released their first official mobile app for iOS and Android devices. The app has various features such as the ability to customize avatars, the ability to chat with other Robloxians, even add people as friends. It also allows users to play games that they can't play on their website.

On March 13th, 2018 the ROBLOX website was temporarily shut down due to multiple exploits on the site. With over 200 million players this has become one of the biggest DDOS attacks in history. The site came back online about 30 minutes later.
