The founder of ROBLOX is David Baszucki as a 13-year-old boy in 1996. He was a freshman at Palo Alto High School in Palo Alto, California and had been working on a computer program that was similar to ROBLOX called "Pyxis". He worked with his friend Owen Hill to create new ideas for the program until it became possible for others to play the game without downloading any additional software.

ROBLOX has a number of international offices. They have offices in Canada, Russia, South Korea and Mexico. ROBLOX also has a representative office in Brazil and one in Japan. ROBLOX was sued by a user named Jacob Jones, who created an account on ROBLOX in 2008. Jacob created a game called "Cops and Robbers" with property he created outside of ROBLOX. He also released his own app, which would allow him to earn money from advertising; his app used "Cops and Robbers" as its icon. However, ROBLOX did not want other programs to use the ROBLOX logo without their permission, so they filed a lawsuit against Jacob Jones. This case is still ongoing.[7] In September 2015, the court ruled that Jacob Jones had violated the Terms of Service by using ROBLOX's logo in his app. However, the court ruled that ROBLOX did not hold the copyright for "Cops and Robber's", and Jacob Jones was able to continue using it.[8]

As of March 2017, Roblox has over 64 million users with 30 million monthly active users. In January 2017 it was announced that females now comprise more than 36% of its demographic, up from just 26% in 2015. Roblox has also had a steady increase in overall player count since 2015. In February 2017, Roblox launched a redesign of its user interface, designed to make it easier for new players to learn about the game and play it. Over 200,000 people signed up during the first week of the rebrand.
