I don't really have an answer for you, but I'm sure this is a problem that other people have as well. I think the game needs to be made less serious because people will not want to spend money on fake money (robux) if they know there's no real value behind those items they purchased with their fake money. The best way to accomplish this would be to make hats, shirts, etcetera for gamers who spend more than a certain amount of money.

On September 13, 2016, ROBLOX launched its tenth birthday party along with an event called BLOXtober. The purpose of this annual event is to celebrate ROBLOX's birthday and give players badges for completing The Admin's tasks every day until October 15th. The badge is called BLOXtagger and can be worn on your profile for the year. The tasks were also modified to let you earn the badges by simply logging in every day. If you do not already have a badge, then you will gain one once you have logged in every day for two days consecutively. At the end of BLOXtober, ROBLOX held a contest called RoblXtheRave, where people were given a chance to win a large sum of money in cash by answering trivia questions that were asked throughout October 11th-13th.
