Nice game by leonard1101 on 2017/12/27 22:34 I just got this game and even though I have not made much progress, it is fun to play. I like playing it at night because when you win it can be exciting. You can make all kinds of things happen with the farm and you will get better as long as you keep playing. Overall I would give it a five star rating but there are some things that should be changed one is that I would like it if we could buy more energy to play longer or if the maps were bigger so we could build more things in them. But besides that this game is fun and entertaining. I would recommend this game to anyone that likes farming or strategy games!",
