On July 6, 2011 (8:00 PM), ROBLOX released a new website design. The new design was created to give users easier access to ROBLOX's games, forums, groups, etcetera. The design got a lot of criticism from users who preferred the old one, but eventually it was adopted as the more popular choice.

In February 2014, the popular user "mæpcity" was hacked by unknown users who had created a character as an avatar for the hacker group "Lizard Squad". The avatar's name was changed to "pedobear", an image widely associated with child pornography. Several other users' accounts were also compromised by the group's activities.

Rated 4 out of 5 by Anonymous from Great! They make you have a membership, but it's free. I like that you can build and edit your own characters. You can also play others' custom games. You can also make your own games if you want Rated 4 out of 5 by Anonymous from Great! It has many things to do and it is definitely worth trying out! Rated 1 out of 5 by Anonymous from Horrible The game is worthless because of all the scamming on the app and its updates. Rated 5 out of 5 by Anonymous from I love it This is a great game that would keep you occupied.

On May 8, 2015, Builder's Club was released for mobile devices. Users can build games on their mobile device and upload them to the catalog. Users can now play on their devices and make money by selling their games. This was the first time a platform has allowed mobile users to make money from their creations. Also in this year, ROBLOX announced that they were giving all accounts \$1 million of Robux for free (for a limited time).
