Fun, but.. by Aqueela on 2014/12/14 12:46 First of all, I love the concept of this game and, as an avid puzzle solver, I enjoyed completing the puzzles needed for each level. The game has some great features such as timed puzzles, word hints and more. However, I do have a few criticisms. First of all, the ads are sooo annoying! I've downloaded over 10 games in the past 2 weeks and every one of them had to be deleted because of the ads. Secondly, I was kind of annoyed with having 2 sets of tiles in a level then receiving new tiles from the previous board when you complete it. Finally, the timed levels were not that challenging and could have been better developed (so that you could make mistakes without losing time).",
