I'm almost broke by Don't get this game on 2019/03/25 18:10 You need to earn coins from spinning the wheel and games but it takes up all of your energy and then gives you 1 coin per fish. So you have to buy more energy with the coins you've already earned just so you can earn more coins. How many levels are there? Who knows because it gives you no way of knowing besides having to look at every level on your own. I've played this game for a few months now and I'm already broke. I've had to start putting coins inside my code so the game will pay out at the end of the month/week because otherwise you won't make it. How do I know? Because after I put in my code, the game pays me what it owes me but then takes money from me when it's trying to be nice and give me a level up bonus or an extra spin or whatever. If you want to spend money then don't play this game because there is no other way to get money easily without spending your own rubies/coins on extra energy. I also don't know how people are buying the "Chat with friends" thing. I have never gotten it to work and I have several friends who also play. So it makes you spend money just to talk to your friends even though you can't even talk to them for free using the in-game chat.",

There are even leaderboards where we can view other players' statistics. Simply start a new game, then enter your name, and your stats will be added to the online leaderboard. Your score will consist of the number of chains, the longest chain number, how many times you've ended a chain by flipping heads or tails, and how many flips you've completed. There are plenty of achievements to unlock and challenges to prove that you're the best!",

Won't let me watch a video by Halpyony on 2017/11/24 22:17 This game is great. It's not the same as before because the coin and gem system but it's still fun to play and a good time waster. It's just that when I try to watch a video to get coins or gems, the ad never plays! I'll keep trying though because I love this game so much.",

Good game but glitches by lokeylovey on 2019/03/12 15:52 I love this game it's very entertaining and fun! However, there are a couple things that I would like to see changed. One being the chat in the game. Whenever I'm in it, all I hear is people asking each other for gifts or sending each other back-and-forth gifting requests which is very annoying. I also have to say that the bugs are pretty severe. For example, I had a chat with another player, which I was supposed to be able to skip, however it turned out that you just have to wait for her. Sometimes when the game glitches during your turn, a few opponents can attack you at the same time and you will lose all your troops while still being on "your" move. Basically, it's very annoying",
