On September 20th, 2018 a man by the name of Mathew T. The company itself has not ever made such uses of VR technology but have given their developers access to the SDK in order to promote VR technology. The company is planning on releasing an SDK for Sony's Project Morpheus and Oculus Rift at some point in the future, although no dates have been officially announced. However, ROBLOX has been criticized due to their unusual (less than the minimum) end user license agreement. Roblox has released a new version of its app called Ava (ROBLOX's Mobile Application). See above section for more details.

On November 29, 2018, ROBLOX announced that they are partnering with Spin Master which will have various toys and scripted interactivity come out in 2019. I really liked playing my own games because it was fun to design a new world for my friends and myself. In my game I could make up anything I wanted. I could add trains, people, animals and pretty much anything else you can think of. I also liked making my own avatar because it gives me a lot of choices in making the way they look. Another thing I was really interested in was Roblox role play which is basically acting like someone else for a little while. You can choose one of your friends or even make up a new person and act like them until you want to stop again. This is good for kids because they get to learn how to act like they're someone else. It's also good for when they have to act in school and it can teach them a lot of things.

There are a few ways to get free robux in Roblox.1.) Game purchases - Unlike other games, there is no way to get free robux through game purchases.2.) Trading with friends - One of the easiest and quickest ways to get free robux is by trading with your friends. However, this can be difficult if you do not know anyone on Roblox or if they are not online.3.) Sell creations on the site - This will give you a certain amount of money every day for free which can help you generate more gameplay time and use more items in-game, but if it's too hard then you might want to try selling your creations on the website first before trying this method
