A user named "Dragongirl" did a Twitter poll in June 2017 asking users their thoughts on the matter. Of her followers, 46% responded that they think that there are not enough female employees at Roblox and 64% responded that they think Roblox should have less white males working for them.

On July 8, 2013 (3:00 PM), ROBLOX released a new website design. The old design was getting outdated and had many bugs that prevented users from accessing all of their content. This redesign changed everything to make it easier for everyone. Other improvements include simplified forum viewing/posting, improved chat system, improved site-searching/navigation, and improved ability to manage groups and groups permissions.

Roblox uses multiple methods of advertising. They first started advertising on websites like Nickelodeon, but they have moved to focusing on social media sites like Facebook and Twitter.[66] Roblox also primarily advertises at gaming conventions such as E3 and Minecon. Roblox has an official YouTube channel on which they occasionally stream live events called "Developer Live", where Roblox employees give sneak peeks of upcoming features.[67] They have also recently released a list of YouTubers that are apart of their Developer Program called the "Roblox Ambassador Program". These YouTubers are able to test new features in Roblox before anyone else with the exception of Google employees.

ROBLOX has an official YouTube channel. The channel shows animated shorts for the popular game "Abobo's Big Adventure". The videos are created by the user SamoDaCar as part of a deal with ROBLOX.[44] The videos are often posted by other YouTube channels that show other parts of ROBLOX games, such as "Meet Youtuber" and "ROBLOX Adventures", where SamoDaCar comments on his channel. There's also a show called "ROBLOX Top Model", which is a spin-off about girls who compete to be the next top model. The show is hosted by user and famous ROBLOX player Xmithie. There are 6 seasons in all, with a total of 35 episodes.[45]
