ROBLOX is very similar to gambling. People who don't know better pay real money for fake game money that has no value. Children can be swindled out of all of their parents' hard earned money without realizing it's gone until mom/dad finds another credit card bill at the end of the month or worse.

In 2012, ROBLOX launched a new feature called Builders Club which allows players to create their own games. Builders Club costs 10 ROBUX to join and provides a variety of benefits such as allowing players to create games, more options for game creation including scripting (Lua, in ROBLOX's case), increased visibility, can use the "Builders Club" tag in places like their profile and group titles, ability to add new hats to the catalog, t-shirt sales in online store.
