Players build a random world in which you aren't guaranteed the same biome behind every block. All the biomes can be accessed by "spawning" into them in survival mode through an anomaly. Survival Games Servers: Players complete a challenge and win prizes such as weapons, armor, unique items, etc.",

This kind of mod removes tools from the game and forces the player to use their bare hands. There are other versions that give you only specific tools when they are activated. Anti-Griefing Mods: These kinds of mods can be used for preventing griefing in multiplayer servers. They are used to prevent other players from destroying your buildings or interfering with them in any way.",
