The game features a dedicated server browser interface on the official website which allows players to choose from a selection of servers to play on, although these are not all guaranteed to be free from hackers and cheaters. Note that some servers may be permanently locked by hackers as a form of revenge. To gain access to such rarer servers players are usually required to send an email request."

You can choose any payment method you want to pay with. Just make sure you select a payment method that matches with the number of months you have selected (3,6 or 12 months). If you go for a 3-month package, then you will be offered to add your credit card, PayPal and other options. Next, write a secure password on the next page and finish the process by clicking on "I am not a robot."

Rust is a survival game released in 2012 developed by Facepunch Studios. It is similar to Minecraft as it allows players to build and destroy structures using various blocks."

Minecraft Bedrock Edition offers a much more convenient way to play Minecraft and it's compatible with iOS, Android and Windows 10 devices. You don't need any special hardware or software in order to use your server. All you need is a mobile device to connect to it and you're ready to go. The process of starting your server is very simple and anyone can do it, so you'll be playing in no time! You can also make purchases with in-game currency for extra characters, skins and other stuff from the Minecraft Marketplace, so if you decide to buy something from there you won't have any problems or issues at all."
