Best Game Ever by Ali Bery on 2017/11/30 17:16 This game is so fun and addictive! It's great because you can play with your friends, chat with other players, and customize your character with tons of cute outfits! The most amazing thing about this game is how many different achievements there are to unlock. You can even play a bunch of different mini games to win prizes! But after an hour or two that can start to get boring. So, I would say this game is great for short bursts or if you are bored or when you're on your phone at home.",

United Pixelworkers has also created a series of YouTube video guides for the game called "Coin Master Guides" which were released on March 1st, 2011. The series consists of 18 videos each with an associated sub-series ("Hidden Characters", "Card Packs", "Simple Tips and Tricks", etc.)",

In August 2016 Moon Active announced that they had signed an agreement with American Apparel to create a mobile game based on their popular clothing brand, Beanie Babies. The game is titled "Beanie Babies World Tour" and will be released in 2018. The game was reported to be available for the Apple App Store in February 2018.",

Very fun but by Aaawwwvhhhhh on 2019/01/11 23:29 It is a very fun game and I was loving it until I had played for a few months, then I realized there wasn't much of a point. I feel like if you want this game to be as awesome as it could be you should add some more upgrades. If you play the game for a short period you will be stuck on the same level for a long time. I had been stuck on a certain level for like a month before I decided to play again and it caused me to lose all of my good placements that I had racked up. If you can add some more tokens or something that would make this game better. Also I don't get why all these people got mad because they didn't get an update that they wanted. Sometimes it takes months to put an update out so if you don't get it then there is nothing we can do about it but still let people know since people are really upset that they didn't get the update they wanted.",

Coins by CeceCeceCece on 2018/12/13 16:27 I love this game and have been playing it for years. I have reached a level where there is no more available to play and therefore am unable to make any upgrades for my games such as bakeries. It would be great if some of the higher levels were made available as in the past. It really is frustrating having to keep doing the same things over and over and over and over again without ever reaching new levels or being able to use anything you have won towards buying coins etc. Please let us know when new levels are available. I, for one, am ready to play them. Thank you",
