On May 31st, 2017, ROBLOX announced that they would be adding the ability to purchase ROBLOX Points via PayPal, which will allow for them to offer virtual currency for in-game items and ROBUX purchases.[17] The announcement was made on the official blog.

ROBLOX also provides a currency called Robux that players can use to access items within ROBLOX, such as buying backgrounds and avatars. [36] Players can get 10 ROBUX for free upon signing up, but if they choose to purchase blocks, they need more than 10 ROBUX upon signing up. They must either use their free ROBUX or buy some ROBUX. They can earn more by selling items they create in the ROBLOX catalog, but most often they earn ROBUX by playing the many games on ROBLOX.[37]

Rated 4 out of 5 by Anonymous from Great for kids I love this game because I have good time with my friends. For example, we build houses and race cars. I think the game is fantastic and it helps me to learn better. It's not just for kids because sometimes adults play it too. I love it so much and think other kids should play it.
