UPDATE: There are many different ways of earning free Robux. When I first wrote this guide, the most effective way of earning free robux was playing games. This is still true today. But now that new generators have been discovered, players can now earn free robux without playing games like they used to. The best one is HelloRoblox and its sister site HelloRoblox2 .

Even though ROBLOX replaced many of its assets with assets from Awaited Studios for being sued by Dr. J for copyright infringement, ROBLOX did not do this to avoid paying royalties for all of the money that was earned by users who were using their assets in other games.

The community is toxic in many ways, Robloxian's have made characters with inappropriate content such as swearing in their usernames or wearing inappropriate clothing that make it look like they are roleplaying as an adult even though they shouldn't be. Although there are ROBLOX moderators, there should be more since some of them don't join Roblox or just don't care about some of the problems that some people have on Roblox.

Roblox allows players to sell their own creations (such as hats and T-shirts) with unique names. These names usually contain the item name followed by "item" and sometimes the price. For example, the price of a hat called "Duck" would be listed as Duck item. If a player bought the Duck item for 5 Robux, it would cost 5 Robux once he bought it.

Roblox has been criticized by some users for their use of Facebook data. In April 2018, a report by CNBC claimed that they were able to track user's Roblox activities on Facebook using this data. This included the number of times that they left comments and how much time they spent in a game.
