□ by Kilty1314 on 2017/10/02 00:16 This is such a fun game, and I'm so glad I found this one once again. The graphics are very clear and high quality. The game is easy to play, and the instructions are easy to follow. The adds are not bad at all, as they're not too annoying or intrusive. The game itself is very fun and super addicting! If you download this game, make sure that you get it now! You will love it!!",

Great game by Big\_Doofy on 2014/12/14 21:02 This is the best game ever. It's very addictive and fun to play. I usually play this while I'm bored and waiting for commercials to end during my tv show or when I'm bored. But, sometimes if there is an add, the add doesn't go away until you watch it even if you swipe it away. But other than that this is a great app!",

Good but... by minecraftgirl\_1234 on 2018/02/18 22:32 This game is great i love it but there are WAYYYY to many ads and the coins aren't cheap at all. I don't mind watching ads for getting coins and what not but I don't do it all the time like you guys want me to. I only have a small allowance which means a lot of my money goes to starving myself on this game. And if you get an ad like once every hour just be thankful for what you get because 90% of phone apps are like that or even worse. Anyways it is a great game and I love it but there are some glitches. Like when I'm clearing the road, I have to tap on the broom to be able to sweep and keep tapping until it unlocks which causes me to lose a lot of lives. Also you could fix one of the new updates where coins and gems and tickets go away sometimes. Sometimes they don't even go away if you got them from one of the game features. And those features are part of getting coins and gems. What about lucky tickets? And if you have this problem too then just tap until it unlocks then get off for like 5 minutes or so then re-open the game. That usually fixes it. Also please fix the issue with the ticket counter. I don't know what it is but I've been watching a lot of videos and forums and they say that if your game is running slow then you should get rid of the "Greatest Hits" feature but you don't get any more coins or like any more credit for using that feature. It's just a wasted ability.",
