In January 2017 Moon Active announced that they had signed an agreement with Netflix to develop a free to play mobile version of Coin Master for Android and iOS devices. The game was later released in beta form as of February 2018. It is titled "Coin Master: Poke Map" and is similar to other games developed by Moon Active such as Poke Monsters World Tour. This version of the game allows players to view the world around them (using real location coordinates) and find loot based on their current location within the game. Collectible items such as equipment, potions and rare drops can also be found.",

Creative and challenging by Houshk on 2014/09/21 19:18 This game is challenging yet fun at the same time. The levels are creative and well designed. To me they are not frustrating as some other games that don't really go anywhere or have too many different options to choose from. I love this game a lot!",

In March 2017 Moon Active announced that a version of Coin Master was available for download on the Samsung Gear VR virtual reality headset. This version of the game was developed in partnership with Samsung and is based on their hardware (Samsung Galaxy). The game's description states that it is a "virtual reality experience" and that it allows users to "take full control of the adventure"!",

The game was released for PC and iOS on December 18th, 2016. The full version available for purchase is the enhanced mode featuring 20 additional levels as well as the arcade mode which contains 60 additional levels. The Android version is planned to be released in January 2018.",
